Requirements for Class

CURIOSITY

Cultivate a relentless curiosity to explore innovative design solutions and stay ahead in the dynamic field of interior design.

ATTENTION

Pay meticulous attention to detail, as precision and accuracy are crucial in creating functional and aesthetically pleasing spaces.

BE READY

Be ready to immerse yourself in an intensive, hands-on learning experience that bridges the gap between theory and real-world application.

Goals for this 4 Months

Skill Mastery

Master essential tools
through hands-on
practice.

Real-World Experience

Gain practical
experience on real
projects.

Professional Preparedness

Develop business
acumen and professional
confidence.
